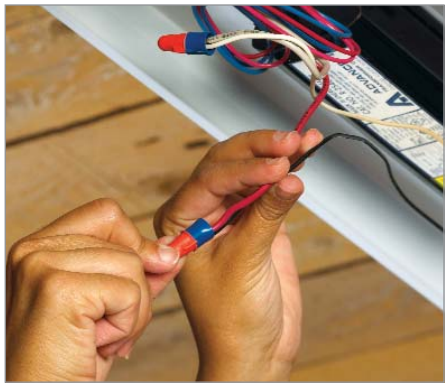
Help protect your electrical investments

Scotch® Super 33+™ Vinyl Electrical Tape

Professional's choice!

- All-weather vinyl electrical insulating tape.
- Stays put in harsh conditions and extreme temperatures.
- Stretches to conform to any shape.
- Plastic case protects tape during storage.
- Made in the U.S.A.
- Professional Grade Scotch 35 Vinyl Electrical Color-Coding Tapes also available.



3M™ "Performance Plus" O/B+ Wire Connector

One connector replaces four!

- Replaces yellow, orange, gray and blue standard connectors.
- Corrosion resistant coating, flame retardant insulator.
- Flexible safety skirt covers stripped wires.

3M™ Cable Tie Assortment Pack

Variety Pack!

- Includes three sizes, four lengths and two colors.
- Secure and bundle cables, hoses and wires.
- Self-locking teeth for easy gripping around bundles.
- White for indoor use and weather resistant black for outdoor use.
- Contains 100 of the most commonly used ties.

Did you know…

- *Lighting retrofits are one of the very top facility improvements that schools invest in . . . right up there with installing air conditioning and carpeting. Having the right supporting products can help protect your investment and make your job easier.*

(Source: Electrical Wholesaling, Sept 1, 2002)

- *As companies continue to upgrade their electrical capacity to accommodate for the changing demands in communications, computers and lighting efficiencies, the demands for quality electrical components and accessories (Electrical Tapes, Wire Connectors, etc.) are also increasing and account for a larger proportion of a facilities indirect spend.*

Product Use: All statements, technical information and recommendations contained in this document are based upon tests or experience that 3M believes are reliable. However, many factors beyond 3M's control can affect the use and performance of a 3M product in a particular application, including the conditions under which the product is used and the time and environmental conditions in which the product is expected to perform. Since these factors are uniquely within the user's knowledge and control, it is essential that the user evaluate the 3M product to determine whether it is fit for a particular purpose and suitable for the user's method of application.
Warranty and Limited Remedy: Unless stated otherwise in 3M's product literature, packaging inserts or product packaging for individual products, 3M warrants that each 3M product meets the applicable specifications at the time 3M ships the product. Individual products may have additional or different warranties as stated on product literature, package inserts or product packages. 3M MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. User is responsible for determining whether the 3M product is fit for a particular purpose and suitable for user's application. If the 3M product is defective within the warranty period, your exclusive remedy and 3M's and seller's sole obligation will be, at 3M's option, to replace the product or refund the purchase price.
Limitation of Liability: Except where prohibited by law, 3M and seller will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental, or consequential, regardless of the legal theory asserted, including warranty, contract, negligence, or strict liability.
