Vox AC30 Reissue* *Guitar Amp Replacement*

RoHS

Features

- Physically, parts were designed to look similar to original factory units (where possible).
- Material used & design specs. were kept as close as possible to the original part to preserve the stock "tone".
- See drawing for specifications and size.
- Do you know of any models we don't list? If so please contact us for information. We do have a great deal available when you help us add any missing antique tube amp transformer or choke for Fender.
