HAMMOND

Quality Products. Service Excellence.

Outdoor FilterFans *3RFF Series*

Type 3R

NEW

Features

- Designed for outdoor weather where resistance against falling rain, ice formation, and UV degradation is important to ensure operation of apparatus inside enclosure.
- Maintains a UL Tested NEMA Type 3R seal against enclosure without need of a rainhood
- Patented “Click & Fit” design provides a hardware-free installation.
- Plastic made from strong, heat resistant UL 94 V0 fire approved ABS material.
- Fluted filter-mat provides longer service life, holding more dust before impeding airflow extending the mean time between maintenance for outdoor enclosure, which can be especially critical for those located in remote areas.
- Offered in Light Gray (RAL 7035) and Black (RAL 9011).

Accessories

- Exhaust Filters
- Thermostats
- Replacement Filters
