DESCRIPTION | FEATURES | DOCUMENTS

We all know that you can never get too many LEDs. Don't worry, we've got you covered. This is a pack of 25 LEDs all conveniently packaged in a nice reusable ESD safe bag. Make that next project shine!

LED - Super Bright White (25 pack) Product Help and Resources

SKILLS NEEDED

Core Skill: Electrical Prototyping

If it requires power, you need to know how much, what all the pins do, and how to hook it up. You may need to reference datasheets, schematics, and know the ins and outs of electronics.

Skill Level: Rookie - You may be required to know a bit more about the component, such as orientation, or how to hook it up, in addition to power requirements. You will need to understand polarized components.

Just what I needed!

about 6 months ago by Member #1077077 verified purchaser

Was looking to replace dim LEDs in my outdoor solar lights, and Mark Lindemer, a Sparkfun technician, walked me through the process of choosing the correct ones for my purpose. He was very helpful, and I couldn't be happier with the Super Bright White LEDs I received.
